## Il Circo presents his show "Viaggio" in Guatemala

Viaggio (travel) a first class show, presented by Il Circo, a performance art in which its history is moved to Venice, Italy, where every year takes out one of the most dazzling carnival in the world with beings flashy outfits look and behave quite comical. And right there a little girl embark on a venture which will discover another world of magic: the circus and its characters.

Il Circo Vaiggio is a show from the United States and was born in 1996 in San Diego, California. Since then he has traveled the world, leaving the astonished eyes that have seen how it defies gravity and how dreams come to life. It is estimated that Il Viaggio Circus has been seen by 8 million people in fourteen countries on five continents. Acrobatic acts presents 11 different characters and 14 characters.

"Il Viaggio Circus" is a blend of classic theater "Comedy dell'Art" circus tradition and the popular French-Canadian, who has acrobatics, dance and comedy acts of strength and agility that give the public the impression that seen everything there goes beyond the laws of logic and physics.
