il CIRCo thrills your audience, as they join this spectacular journey. It's a dream seen through the eyes of a young child, choreographed into a mesmerizing production. il CIRCo combines classic Commedia dell Arte with modern cirque artistry, resulting in an experience that brings audiences to their feet. The story unfolds as we reveal a fantasy landscape filled with brilliantly costumed characters, creatures that possess superhuman strength, agility, and grace. il CIRCo's captivating cirque acts feature some of the world's most talented acrobats, dancers, and comedic audience interaction. Our young protagonist is introduced to these amazing characters as the delightful journey progresses to an inspiring finale.

A rich tapestry of outrageously innovative costumes, an original musical score, and sophisticated choreography set the mood for this entertainment event of a lifetime. The level of talent and sophisticated production style in il CIRCo is rarely seen outside of a Las Vegas showroom.

Share the dream. Join the journey. Experience il CIRCo!
